Columbia Iron and Steel Workers Want the Wages Increased.

ALL THE NEWS FROM NEARBY TOWNS

SPECIAL TELEGRAM TO THE DISPATCH. HUNTINGTON, W. Va., March 5.—A well-planned scheme on the part of three men named Hodius, Shepino and Harry Light, to rob and swindle Baltimore, Parkersburg and Wheeling wholesale merchants out of large amounts of goods has just been unearthed here and at Hinton. Hodius and Shepino are in jail at Hinton, while Light has fled the State. Light appeared at Talbot, Summers county, about six weeks ago, and opened a store with a grand flourish. He had an extensive correspondence with wholesale merchants in Baltimore and other points, and so imposed upon them by means of forged remittance advices and receipts that they shipped him large quantities of goods. Light remained at Talbot, and as fast as goods arrived he shipped them to his confederates at points along the railroad, and to this city.

Columbia Iron and Steel Workers Prepare a New Scale. SPOKANE, March 5.—It has just been learned that on last Sunday afternoon, at 6 o'clock James Strimling Lodge No. 92 of the Amalgamated Association of Iron and Steel Workers, held a secret meeting in K. of P. The object of the gathering was to discuss the question of fixing the scale of wages at the Columbia Iron and Steel Works here for the ensuing year, commencing July 1. After a spirited discussion, a resolution was passed setting forth that no advance will be asked in the coming year, but that the workers desire an advance of 25 per cent on the scale of wages at the Columbia Iron and Steel Works here for the ensuing year, commencing July 1. A FIGHT FOR A SON.

Husband and Wife Struggle for the Possession of Their Son. WASHINGTON, Pa., March 5.—Quite an excitement was created at the Baltimore and Ohio depot here this morning by T. B. McClain, formerly of this place, trying to obtain possession of his 8-year-old son, who has always lived with his mother, Mrs. McClain. The boy was on his way to school and was met by his father, who induced him to go to the station with him, intending to take the little fellow away. Mrs. McClain got wind of this and went directly to the station where she demanded that her child be left with her. Mr. McClain refused to give the boy to her and she was obliged to leave the crowd which quickly assembled was in sympathy with the mother as a matter of course, and several men rushed in and took the boy from his father's grasp. The gaining possession of the child was the result of a fight between the father and the mother, and the latter, who has not lived with his father for some time, took an express train for Pittsburgh.

A SALOONKEEPER'S LIABILITY.

A Faulty Asks Damages for the Death of His Son While Intoxicated. FRANKLIN, March 5.—Among the most interesting cases on the present trial list here is that of Veon versus Craton. On the 5th of July last, at Enokentown, two young men named G. H. Veon and A. Shannon were run over by a train on the Valley road. Shannon died in a few hours, but Veon eventually recovered, but lost a leg, making him a cripple for life. The father of Veon claims that Craton sold the young men beer and wine and refused to deliver them, thus causing them to wander out on the track, where they were run over. Veon asks for \$5,000 damages from Craton.

SHARPERS IN JAIL.

A Scheme to Rob Merchants Comes to a Disastrous End. SPOKANE, March 5.—The discovery of the elopement of Dr. Willis McCray, son of the late millionaire oil king, James E. McCray, with the 19-year-old daughter of a cab-driver, is the talk of the town. Through the death of his father, some months since, young McCray came into possession of a portion of the valuable oil property which made his father rich, and having graduated from the Toronto School of Veterinary Surgery, he located in this city and began the practice of his profession. McCray, up to the time of the elopement, was living with his wife, formerly a Miss Tyson, daughter of Cornelius Tyson, proprietor of the hotel at Foxburg. For some time past McCray has been disposing of his property in and about this city, and on Tuesday morning he disappeared, going in the direction of Meadville. About the same time it was discovered that Miss Brown, daughter of Fred Brown, had also left the city, and from several things that have happened recently the suspicions of the young girl's parents were aroused. A thorough search, resulting in the discovery that the pair had left the city together, followed. McCray was arrested at Meadville, and an officer armed with a warrant immediately started in pursuit, but up to this time has not succeeded in apprehending the couple. A reporter endeavored to see the wife, who is at present in this city, but was unable to do so. She is left without means of support, and prefers to wait until the return of the officers before she talks.

BELLEFOSTE, March 5.—John Forney, who was so terribly stabbed by John Vidorfor near Stone about a few weeks ago, has been pronounced out of danger by several physicians, though the court has Vidorfor under \$5,000 bond for his appearance in court.
